## Orchestra

The MASTA Camp Orchestras are directed by leading teachers in Michigan and result in a high-quality musical experience for your students. Orchestras are ability based to guarantee success for your child.

## Sectionals

Daily sectionals lead by specialists on each instrument give your student specialized instruction on their orchestra parts.

## Small Ensembles

Daily small ensembles coached by high-quality teachers help your child develop techniques and skills specialized to your child's abilities and designed to expand their skills.

## Rhythm and Theory

Small classes in rhythm, movement, and theory develop skills away from the instrument in fun and engaging classes geared to the age of the students.

## Recreation

Recreation opportunities at camp are plentiful including: archery, obstacle course, nature walks, swimming, crafts, and more

## Meals

Meals are age-appropriate and plentiful. Students have hot menu items for every meal and choices are offered for vegetarians and other dietary needs. All dietary concerns can be accommodated.

## Camp Life

The MASTA Camps are an outstanding camp experience for the young string player. Students stay in barracks style cabins with attached bathroom facilities and showers. Cabins are air-conditioned so students can get the rest they need while in their cabins. Counselors are all musicians themselves giving students a connection to a musical and social mentor while at camp. The 3-day length is a perfect **First Camp** experience and our staff is highly skilled with "first-time" campers.

## Session I and II

The 3-day sessions are designed for young string players in their 1st or 2nd year of playing their instrument or of younger ages. Students in 6th grade or younger will be successful at camp. These sessions are also great places for first time campers - giving students a great first experience away from home.

## Location and schedule

The MASTA camps are held at the beautiful Howell Nature Center in Howell, Michigan. Check-in is from 9-10 a.m. on the first day and departure is after the 7:30 p.m. concert on the final day.
