Orchestra

The MASTA Camp Orchestras are directed by leading teachers from across the state, providing campers with a high-quality musical experience. Orchestras are ability based to guarantee success for your child.

Electives

Small enrichment classes in rhythm, movement, music theory, and alternative styles develop campers' skills away from their instruments in fun and engaging classes geared to the age of the students.

Sectionals

Daily sectionals lead by specialists on each instrument give your student specialized instruction on their orchestra parts.

Recreation

Recreation opportunities at camp are plentiful, including: archery, obstacle course, guided tour of the wildlife park, swimming, crafts, and more!

Small Ensembles

Daily small ensembles coached by high-quality teachers help your child develop techniques and skills specialized to your child's abilities and designed to expand their skills.

Meals

Meals are age-appropriate and plentiful. Students have hot menu items for every meal and choices are offered for vegetarians and other dietary needs. All dietary concerns can be accommodated.

Camp Life

The MASTA Camps are held at the beautiful Howell Nature Center in Howell, MI. Students stay in comfortable cabins with attached bathroom facilities and showers. Cabins are air-conditioned so students can get the rest they need while in their cabins. Counselors are all musicians themselves, giving students a connection to a musical and social mentor while at camp.

Session I

This 3-day-session is designed for young string players in their 1st or 2nd year of playing their instrument or of younger ages. Students in 6th grade or younger will be successful at camp. This session is also a great first time camp experience.

Session II

This 5-day-session is designed for students in their 2nd or 3rd year of experience in 5th or 7th grade. This is a

more in-depth and longer experience than Session I.

Session III

Our week-long session is designed for the middle-school age student currently in grades 7-9. In addition to orchestra, students will be assigned to a chamber music ensemble. There is a brief audition at the start of camp for students at this camp.
