MASTA Board Meeting

9/23/17

The 2018 MMC MASTA Sessions are scheduled! We need to submit presiders by Nov. 2nd. Please sign up to preside.

Louis Bergonzi is our headliner this year. He is doing 4 sessions for us this year. His session "Seeing the Rest: Heterosexuality in the music classroom" is being promoted as a conference feature session! The other organizations have given their full support for this session and worked with us in scheduling it.

Having a feature session this year as brought up conversation regarding having a conference keynote. If you have any feelings on this either way, please let us know.

Should be a great conference!

Respectfully submitted,

Jim Van Eizenga
